

## Vaddio IR Remote Commander with audio controls **SKU: 998-2102-000**

Replacement IR remote with camera and audio control for ConferenceSHOT AV systems. The remote's non-audio controls also work with other Vaddio cameras and with Sony PTZ cameras.

### Key Features:

- Compatible with all Vaddio IR cameras and Sony PTZ camera models
- Does not need to be paired; line of sight is all that's needed
- One remote can control multiple cameras

Wirelessly control Vaddio and Sony PTZ cameras with the IR Remote Commander with audio controls. The remote offers functionality such as pan, tilt, zoom, preset and audio control.

Provides the ability to choose between three separate IR channels for independent camera control when multiple cameras are co-located.

For RF camera models, please see Vaddio RF Remote Commander.

### This Package Includes:

- Vaddio IR Remote Commander with audio controls
- 2 qty AAA alkaline batteries
