

Vaddio RF Remote Commander **SKU: 998-2180-000**

Replacement remote control for Vaddio camera models controlled with radio frequency (RF).

Key Features:

- Compatible with all Vaddio RF camera models
- Works without direct line of sight
- One remote can be paired with multiple cameras

Wirelessly control your Vaddio camera, even if you don't have direct line of sight, thanks to radio frequency technology. The remote offers convenient access to camera functions such as pan, tilt, zoom, preset and audio control.

A single RF remote can pair to multiple cameras; however, one RF camera cannot pair to multiple remotes.

For IR camera models, please see Vaddio IR Remote Master.

This Package Includes:

- Vaddio RF Remote Commander
- 2 qty AAA alkaline batteries
