

## Mounting Brackets for Vaddio Desktop Enclosure **SKU: 998-6000-007**

---

Low-profile mounting brackets for small devices, including AV Bridge Nano and other Vaddio desktop devices.

### Key Features:

- Heavy-gauge powder-coated steel construction
- Mount on the wall or under a desktop to keep workspaces clear
- Low-profile design allows for mounting small devices behind displays

The Mounting Brackets for Vaddio Desktop Enclosure are designed to accommodate the AV Bridge Nano, EasyIP Tx/Rx and other desktop devices, making it easier for installers to provide a clean and professional installation.

### This Package Includes:

- 2 qty device bracket
- 4 qty #6-32 x  $\frac{3}{8}$  in screw
- 4 qty #6 x  $\frac{5}{8}$  in screw
