

## EasyIP 10 Base Kit with Professional IP PTZ Camera **SKU: 999-30201-001**

---

The EasyIP 10 Base Kit is an AV-over-IP PTZ camera and conferencing system in a box. It delivers professional-quality conference feeds for UC soft clients and simplifies the BYOD conferencing experience by moving videoconferencing onto the network.

This networked videoconferencing system allows you to use up to four PTZ cameras in your meeting room, without needing a video switch. It's a simple AV-over-IP solution for extended and networked conferencing in meeting rooms, boardrooms and training rooms alike. The EasyIP 10 Base Kit includes everything you need to get started with AV-over-IP conferencing in one easy-to-order bundle including one EasyIP Camera, one EasyIP Decoder and one Luxul network switch.

### Key Features:

- Designed for flexible configuration in small, medium and large conference rooms
- Ideal for spaces with room dividers or partitions
- Provides USB 3.0 connection to leading web services: Teams/Skype for Business, Zoom, WebEx, Bluejeans, Google Meet and others

---

Do you need more zoom? Do you need an HDMI signal to feed into an EasyIP Mixer PIP? Check out the EasyIP 20 Base Kit. If you still aren't sure, give us a call!
